What We're Building

A four-stage AI pipeline

```
const stages = ['Ingestion', 'Search', 'Chatbot', 'Brief Generator']
console.log(stages)
// [ 'Ingestion', 'Search', 'Chatbot', 'Brief Generator' ]
console.log(stages.length)
// 4
```

What We're Building

A four-stage AI pipeline

The details

The big picture

It does really cool stuff.

It really, really does.

Even more details

These are the stages:

- Ingestion
- Search
- Chatbot
- Brief Generator

Image Slide

Background image on the right

- Text stays on the left side
- Logo stays in the bottom left
- Image fills the right 40%

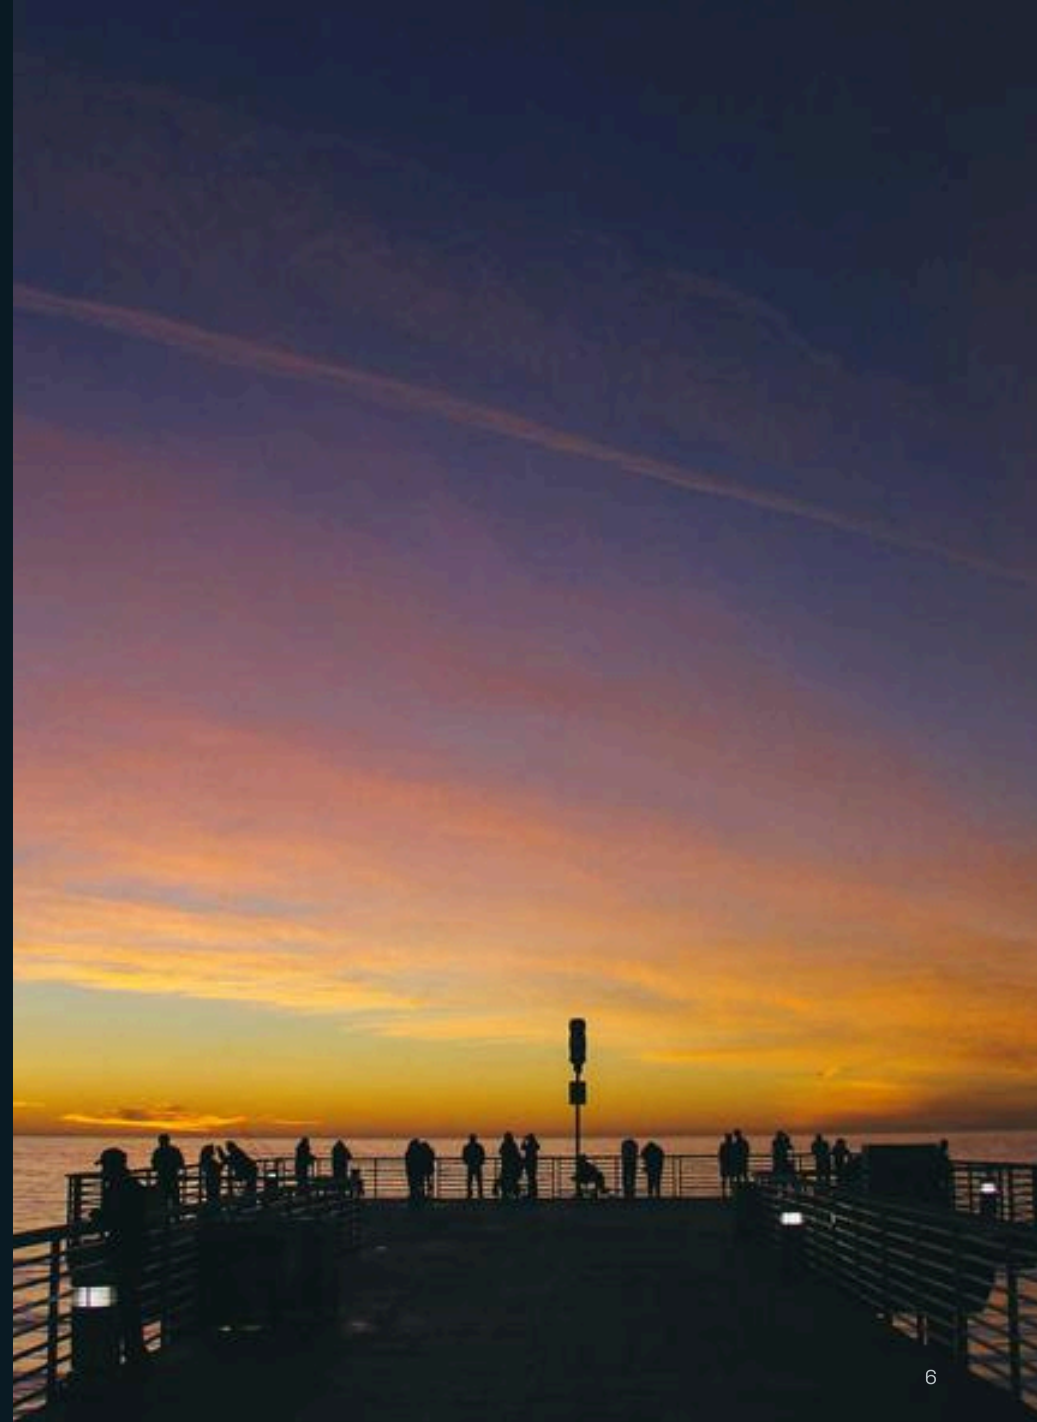

Image Slide

Background image on the left

- Text stays on the right side
- Works on light slides too

Full Background Image

With reduced opacity so text is readable

- The image covers the full slide
- Opacity keeps the text legible

Centered Content

Works for diagrams and images

Centered Content

Light variant

```
const stages = ['Ingestion', 'Search', 'Chatbot', 'Brief Generator']  
console.log(stages)  
// [ 'Ingestion', 'Search', 'Chatbot', 'Brief Generator' ]  
console.log(stages.length)  
// 4
```

A close-up, low-angle shot of a wheat field. The wheat stalks are in sharp focus in the foreground, while the background is a soft, out-of-focus expanse of the same field under a bright sky. The text 'A HERO WITH A BACKGROUND IMAGE' is centered over the image in a large, white, sans-serif font.
